ABOUT US

At Texora, we illuminate everyday spaces with brilliance and style. Texora is a proud Indian brand dedicated to offering premium LED filament bulbs that blend aesthetics, performance, and reliability. Our versatile collection caters to both residential and commercial spaces, with options in various shapes, wattages, and color temperatures.

From the warm glow of amber glass to the crisp clarity of clear finishes, Texora bulbs are designed for high efficiency and long life — delivering over 10,000 hours of consistent lighting. With a focus on quality and elegance, we bring together timeless design and modern innovation.

Texora — an **INDIAN** brand lighting up the world with elegance.
